ABOUT THE ALUMNI ASSOCIATION OF NPSBCET

The Alumni Association of our college has completed 9 years of active functioning. The Association provides a forum for the Alumni for exchange of ideas on academics, research and placement activities. The membership is open for all the graduates of New Prince Shri Bhavani College of Engineering and Technology. Alumni Association organizes regular meetings and has formal and informal interactions wherein any Alumnus is free to give views/ suggestions. Alumni Association meet is conducted every year with the association members to discuss regarding the alumni meet. The Alumni meet is conducted every year on the graduation day. Alumnus from distinguished companies and institutions frequently visit the campus and provide guidance towards career development and placement assistance. Alumni are invited as Guests of Honour for various functions organized, as Resource persons for Guest lectures, Seminars, Symposia and Motivating Talks. They provide valuable feedback regarding the current Industry needs and motivate the students to take up innovative projects.

The Objectives of Alumni Association are:

1. To keep a roster of all Alumni of college and their pertinent data.
2. To encourage, foster and promote close relations among the alumni themselves.
3. To promote a sustained sense of belonging to the Alma Mater among the Alumni by being in regular contact with them.
4. To provide a forum for the Alumni for exchange of ideas on academic, cultural and social issues of the day by organizing and coordinating reunion activities of the Alumni.

VIRTUAL ALUMNI MEET 2021 - REPORT

Alumni Association of NPSBCET organized its 9th Alumni Meet 2021 on 14th April 2021 at 6pm through Zoom platform. An alumni association meeting was held on 25th December 2020 regarding the meet. Many of the alumni played active role in contacting their batch mates and others. The Meet was attended by 58 alumni of various batches who were graduated from the year 2012 (First Graduating Batch) to 2020.

It was a great pleasure to know about their accomplishments in professional lives. Besides the pandemic situation the Alumni joined together in a virtual mode to have a great fun. Addressing the Alumni was by our principal Dr.T.Saravanan and Dr.G.Durgadevi, IQAC Coordinator, HOD/ECE. They welcomed them with a great pleasure besides this pandemic situation. There were alumni present from various leading corporate houses such as L&T, Bharat Benz, TCS, CTS, Capgemini, Flextronics, Tech Mahindra, Infosys, Accenture, Virtusa etc. The heads of all the departments welcomed them and requested them to support for the academic growth of their departments. Feedback regarding the college was been shared by few and that was taken into account by IQAC and Alumni Coordinators for upcoming academic plan of activities. After the discussion on the future developments ensued and alumni came up with many suggestions regarding the syllabus of courses, laboratory development etc., many of the Alumni expressed their willingness to help the current students in training, placement, and delivery of expert lectures in emerging areas of technology.

ALUMNI MEET 2020 - REPORT

NPSBCET organized its 8TH Alumni Meet 2020 on 15th March 2020. An alumni association meet was held on 21st September 2019 regarding the meet. Many of the alumni played active role in contacting their batch mates and others. The Meet was attended by 92 alumni of batches that graduated in year 2012(First Graduating Batch) to 2016. There was special enthusiasm in the batches graduating from year 2012.

It was a great pleasure to know about their accomplishments in professional lives. Most of them were visiting their Alma Mater for the first time since their graduation, and naturally were thrilled to be back in the campus again. About 10 of them attended with their spouses. They very proudly took their spouses around the campus and showed the places where they lived and spent time. There were moments of surprise, happiness, exhilaration and joy when people met their long-lost friends. The atmosphere was that of sheer camaraderie.

Addressing the Alumni and their family was by our principal Dr.T.Saravanan. He said that Alumni are the brand ambassadors of the Institution and a very vibrant relationship must be established and nurtured. Then our director Prof.A.Swaminathan felicitated the gathering. He gave the thrilling and most touching speech on the theme of the Alumni Meet "Strengthening the Alumni Networks". The vote of thanks was proposed by Alumni Coordinator Ms.V.Hemamalini/ECE.

There were alumni present from *various* leading corporate houses such as L&T, Bharat Benz, Syntel, TCS, CTS, Capgemini, Flextronics, TechMahindra, Siemens, etc.

The alumni visited their respective departments. The HODs of each department took them around the various laboratories and other departmental facilities and presented the recent progress and activities. After the discussion on the future developments ensued and alumni came up with many suggestions regarding the syllabus of courses, laboratory development etc.

The food and the dessert were relished by the alumni, students and the faculty alike. Many of the Alumni expressed their willingness to help the current students in training, placement, and delivery of expert lectures in emerging areas of technology.

Then, came the time for fun, excitement and joy as lot many group games were played .Everyone was moved by the emotions of dancing alumni.

Eventually, alumni networking took place and it found many people exchanging their contact details in form of visiting cards, mobile numbers and e-mail ids. The day came to an end with the Closing ceremony. The Alumni Meet closed at a very emotional note. Everyone departed with the resolve to visit again and spread the message amongst all who could not visit this time.

ACADEMIC YEAR 2020-2021

Alumni talk on “From Campus Life to Corporate World: Between Dreams and Reality”

REPORT

An Alumni talk was organized by the Alumni Association of New Prince Shri Bhavani College of Engineering and Technology for the UG & PG students on 14th June 2020. The session started at 4pm. The programme was organized to connect campus life and the corporate world. As the objective of the Association is to act as a bridge between the institution and a corporate industry, this session was organized to meet up the same. The session started with a welcome note by the Alumni Coordinator, Ms.V.Hemamalini, AP/ECE Dept. Dr.G.Durgadevi, Head of ECE Department carried out the session inviting the speakers. The speakers were:

1. Mr. Whitman Kumaresh (2012) passed out of CSE Department briefed about the current industry needs and the new technologies emerging. His key principles ideate, innovate, accommodate, articulate was an inspiring one.
2. Mr.C.B.Kishore (2013) passed out of EEE Department gave ideas how to prepare for graduate assessment exams and advised the students to go through beyond the syllabus.
3. Ms.Chitra.K(2012) passed out of ECE Department shared her experiences on the barriers she met to become a successful person at present. This was a motivational one for the students.
4. Ms.Julie Dale Marine (2015) passed out of ECE Department shared her experiences and thoughts in achieving her goal as a singer. She encouraged the students to strengthen their skills apart from studies, which would also make them shine in their life. She sang a wonderful song at end of her speech.

ACADEMIC YEAR 2020-2021

STUDENT INDUCTION PROGRAMME

REPORT

An Induction Programme for the first-year students was organized on 18th November 2020. The programme was organized in two sessions. The first session was addressed by the Alumni of ECE department to stimulate the fresher's by sharing their experiences. The second session was addressed by Ms.M.I.Anju, AP/ECE provoking the students into various competitions in Engineering field through which they can sharpen their skills.

The programme started sharply by 10.30am. Ms.V.Hemamalini, Alumni Coordinator of New Prince Shri Bhavani College of Engineering and Technology gave the welcome address and spoke few lines about the Alumni Association of the college. Ms.Sowmya Balasubramanian, Developer, Tata Consultancy Services an Alumni of 2016 passed out motivated the fresher's by sharing the career opportunities and how to prepare themselves to meet the industry needs. Ms.K.Kiruthika, SQAE(GS), DGQA, Meenambakkam, an Alumni of 2017 passed out shared the opportunities in Government sectors after completion of the course. She insisted the students to prepare for competitive exams conducted by the Government and provided some guidelines for preparation. Ms.Julie Dale Marine, HR Executive of Amelio Early Education Pvt. Ltd. And JAYA Super Singer Awardee started her speech with a nice motivational song and encouraged the students to empower their creative skills.

The second session started by 11.45 am by Ms.M.I.Anju, AP/ECE. She interacted with the students and gave a brief note about how learning can be done through

ACADEMIC YEAR 2020-2021

MOTIVATIONAL TALK ON "FIRST GEN ENTREPRENEURS: BREAKING THE BARRIERS"

A Guest lecture for the third-year and final-year students was organized on 27th February 2021 to motivate entrepreneurship skills among the students. The program started with a welcome speech and a brief introduction about the speaker by the Alumni Coordinator, Ms.V.Hemamalini, AP/ECE.

Mr.R.Vignesh, Managing Director, V5965 Info Solutions, Chennai is the Alumni of 2015 batch of CSE department. He had started his career during his final year and started his business during 2017. He shared his experiences as a young entrepreneur and the struggles he faced at initial stage in all aspects. He spoke on how to manage stress and work under pressure as an entrepreneur. He also advised the mistakes that had to be avoided at the initial stage as an entrepreneur. He insisted the students to bring out ideas from their project during their final year. Such creativity and strong technological skills would be helpful to become a successful entrepreneur. The students interacted well asking queries and clarifying their doubts. At the end of the session, the Alumni Coordinator proposed the vote of thanks.

Department of Computer Science and Engineering

A Report on National webinar

“Nurturing critical thinking and problem solving skill”

Organised by Department of Computer Science and Engineering

On Thursday 11th March 2021.

New Prince Shri Bhavani College of Engineering & Technology, Chennai, Departments of Computer Science & Engineering was organised the Webinar on “Nurturing critical thinking and problem solving skill” Students. The Webinar “Nurturing critical thinking and problem solving skill” was held on 11th March 2021, 02.00 pm – 03.00 pm in Zoom.

Ms.J.Jenne Prittala, Developer, Business Intelligence, Tata Consultancy, Bangalore was a Resource Person. She is an alumni of our college. The Webinar began at 02.00 pm in the presence of the students of the CSE Department. CSE department Faculty & Students joined the webinar virtually. Dr. P.Sridevi Ponmalar, Professor, Head of the Department started webinar with the brief introduction of the Resource Person, Mrs.P.Kavitha, Assistant Professor welcomed the participants.

The appendix provides an overview of the “Nurturing critical thinking and problem solving skill”. The Webinar was structured in a PPT with visual impact. The Problem solving Primary steps was explained to the participants by the Resource person. The Resource Person explained about Critical Thinking. She Highlighted on the Reading Techniques in Critical Thinking.

It was a very informative session which helped everyone imbibe knowledge about Critical Thinking. Students participated in the interactive session with an intensive question/answer session at conclusion. Many attendees sent their questions in the chat box during the session.

Dr. P.Sridevi Ponmalar, Professor, Head of the Department, proposed the vote of thanks.

Enclosures:

Department of Information Technology

Report on How to Groom Yourself as a UI Designer

REPORT

The session was conducted using Zoom at 10.00 am on 26.3.2021 and more than 50 participants attended the program. The session was started with warm welcome and chief guest profile by Ms.S.Karthika. It was presented by Mr.Karthikeyan Partheeban, Zoho Corporation Pvt. Ltd, Chennai. He is the 2016 alumni of our college. He has discussed about the entire process of acquiring and integrating a product, including aspects of branding, design, usability and function. We came to know the tools for trade and various graphic design ideas. He has also highlighted the various internship programs available for designer. He also showed the various design created by him. He also stated the responsibility of a designer as follows:

- Product Research
- Personas and Information Architecture
- WireFrames
- Prototyping
- Usability Testing

User interface (UI) design is the process in which designer's uses to build interfaces in software or computerized devices, focusing on looks or style. The main aim of this webinar is to create interfaces which users find easy to use and pleasurable. Best Practice discussed by him for designing an interface is as follows:

- Keep the interface simple.
- Create consistency and use common UI elements.
- Strategically use color and texture.
- Consider Page layouts.
- Make sure that the system communicates what's happening.

The session was ended with vote of thanks by our Head of the Department Dr.S.Subburam. The students of II, III and IV year were benefitted by this webinar.

Department of Electrical and Electronics Engineering

“Realization of Career Pathway in Electrical & Electronics Engineering”

Date of Event: 22/05/2020

Timing: 6pm-7pm

Duration: 1hr

Report

The Department of Electrical and Electronics Engineering of New Prince Shri Bhavani College of Engineering and Technology conducted a Webinar on “Realization of Career Pathway in Electrical and Electronics Engineering” for twelfth standard and polytechnic students on 22nd May, 2020.

The session was started by Head of Department, EEE welcoming the gathering.

Mr. R. Ramar Assistant Director, National Thermal Power Institute(NPTI), Neyveli

The students session was addressed by our special guest Mr. R. Ramar Assistant Director, National Thermal Power Institute(NPTI), Neyveli with his vast experience in diverse field throughout his career. He had discussed about “The opportunities in Electrical and Electronics Engineering” viz. through private sectors like Tata consultancy, General Electric India Pvt Ltd, Costal Energy Pvt Ltd, Adani Power, Vedanta Company Pvt Ltd, OPG power generation Private Ltd, Supreme Power Private Ltd, Operational Power Lt Sap Miller Ltd, Ramco Power Ltd, Power Mech Private Ltd, Power and Power, Bajaj Energy etc. and Pub Sector like Malcolm power plant, BHEL, NLC India, All State Electricity Board, NPTC, NHDC, TNEB, Tangedco, L&T, GMR Energy etc. Apart from this he also have enlightened upon the opportunities in Electronics and Computer field as Design Engineers, Indian Railway, Air force, Power Grid Corporation, PWD, Navigation engineering etc. In addition he shared the multiple opportunities available in Renewable Energy Generation especially in Wind Power Generation. In addition to the opportunities he told about, various short term courses like Post Graduate Diploma in Thermal Power Plant Engineering, Graduate in Thermal Power Plant Engineering conducted by TNEB and NLC every year to train the students.

Department of Electrical and Electronics Engineering

Next our alumnus Mr. Rakesh Ravikumar, Asst. Manager, Commercial, EID Parry(I) Ltd, Murugappa group spoke on "Cross functional opportunities of Electrical and Electronics Engineers in growing integrated operations". He has shared his experience in Operation and Maintenance of Steam Based Power Plant, Erection and Commissioning of Steam based Turbo Generator which enlightened about the opportunities of electrical engineers and their significance in all the basic fields of engineering.

Mr. Rakesh Ravikumar, Asst. Manager, Commercial, EID Parry(I) Ltd, Murugappa

He elaborated the participants on how Electrical and Electronics Engineering was an open ticket for all fields, by indicating various job opportunities in Power Plants, Electronics Companies and even in Software industry. He also told them that the job opportunities were concentrated under three main categories like 1. Production and Design Engineering 2. Service Engineering 3. Research based engineering where 75% of opportunities are product based, 20% service based and remaining 5% were research based. He made the participants to clearly understand how India being the 7th largest Power Producer and with its highest Power Generation has enormous openings available in Power Plants. He concluded by sharing the placement opportunities that are extend to manufacturing, power plant operation and also teaching.

Ms. P.Oviya, Production Engineer, Elcomp Electronics Industries Pvt. Ltd

Next our 2015 passed out alumina Ms. P.Oviya, Production Engineer, Elcomp Electronics Industries Pvt.

Department of Electrical and Electronics Engineering

Ltd, delivered her views on “How to succeed as an Electrical Engineer” and scope for electrical engineering government as well as in private sector. She shared about ease of getting jobs based on the Gate Score in Public Sector and specifically the vast job opening as Junior Engineering in State Government. In addition to the above said job opportunities, in case of private sector in the field of production, manufacturing of transformers, LED products, mobiles and what not by the Electrical and Electronics Engineers. Over and above the quality engineers are very much needed in order to check the quality of the product. She concluded her views by explaining on vast opportunities available for electrical engineers in the field of production and quality checking.

This was followed by our present final year student Ms.S.Banumathi and Ms. Merwin Refa who shared the participants about their own experiences during their four year educational tenure in New Prince Shri Bhavani College of Engineering and Technology as an Electrical and Electronics Engineering student.

Finally the session was completed by thanking every one present and also by recalling upon the vast scope for electrical and electronics engineers in various fields of public and private sector shared by various speakers the educational opportunities.
