6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

STRATEGIC PLAN

The institution has a ten-year strategic plan for institutional growth and improving teaching and learning process and promotion of research among faculty and students. For sustainable growth the strategies are formulated, communicated and implemented effectively. It was planned for the period 2015 - 2025. The perspective plans to be deployed in our institution for future are Specific, Measurable, Achievable, Relevant and Time bound. The management's vision is to strive for excellence in imparting technical education by promoting innovation, creativity and entrepreneurial abilities of the students. Therefore, the institution recognized and prepared strategic plan which has the following fourteen significant goals. They are

1. Teaching and Learning Process
2. Research and Development Activities for students and faculties
3. Infrastructure Development
4. Institute Industry Interaction Activities through MoUs
5. Career Guidance and Placements
6. Extension Activities
7. To get NBA Accreditation for the eligible departments by 2023
8. Institute Innovation Council Cell
9. To promote and spread scientific knowledge to the students and faculties by conducting International and National Level conference
10. To increase the employability skills of the students
11. To receive fund from various agencies like Government and Non-Government
