

NEW PRINCE SHRI BHAVANI COLLEGE OF ENGINEERING AND TECHNOLOGY

Affiliated to Anna University | Approved by AICTE | Accredited by NAAC
Tambaram - Velachery Main Road, Santhosapuram, Chennai-600 073.

Sl.No.	Facility Name	Details	Located in	Utilization
10.	Industry Supported Laboratory	15 Computer System with required software Network Switch(Port 24)	Main block First floor	Students are acquired to gain practical knowledge and awareness about industry

Purpose of creating facility:

We have a center of excellence in collaboration with Windesk Engineering Solutions, and Touchmark Private Ltd. The Engineering department has established a laboratory in partnership with these companies, which supports students through Skills Development Training Programs, placement opportunities, internships, and value-added courses. This initiative aims to enhance students' performance by providing career-oriented training on a regular basis.

WINDESK ENGINEERING SOLUTIONS LABORATORY

The laboratory plays a crucial role in supporting various industries, including automotive, aerospace, and manufacturing, by providing precise analysis and innovative solutions tailored to client needs. The laboratory is equipped with state-of-the-art technology and tools that enable comprehensive testing and evaluation of materials, components, and systems. Services offered include mechanical testing, structural analysis, and product validation, ensuring that clients meet industry standards and regulatory requirements. With a focus on quality and reliability, WINDESK employs a team of experienced engineers and technicians who are skilled in conducting rigorous tests and analyses. A key feature of the WINDESK Engineering Solutions Laboratory is its commitment to innovation and continuous improvement. The team actively researches new methodologies and technologies to enhance testing accuracy and efficiency. This dedication to staying at the forefront of engineering practices allows clients to benefit from the latest advancements in the field. Additionally, the laboratory emphasizes collaboration with clients, working closely to understand specific project requirements and provide customized solutions. This client-centric approach fosters strong partnerships and helps clients achieve their goals effectively. Sustainability is also a priority at WINDESK, as the laboratory incorporates eco-friendly practices into its operations and encourages the development of sustainable engineering solutions. By prioritizing
