ANTI RAGGING AWARENESS PROGRAMME

Date: 13-09-2024

The Anti Ragging Awareness Programme was organized by the NSS Unit of NPSBCET on 13.09.2024 at 1:30 PM in the APJ Auditorium in collaboration with the Tambaram City Police, Selaiyur Region. The programme aimed to create awareness among students about the harmful effects of ragging and the importance of maintaining a safe, respectful, and friendly campus environment.

The session highlighted the legal consequences and psychological impact of ragging while encouraging students to promote mutual respect, discipline, and unity within the institution. Students actively participated in the awareness session and gained valuable insights into creating a positive and secure academic atmosphere.

The presence of the officials from the Tambaram City Police added significance to the programme and inspired students to uphold ethical values and contribute towards a ragging-free campus.

The poster features a central image of a person in a dark setting, possibly a student or a police officer, with a spotlight effect. The text is arranged in a structured layout with logos at the top and bottom.

ONE TREE IN THE NAME OF MOTHER-PLANTATION DRIVE

Date: 15-08-2024

The NSS Unit of NPSBCET organized a mega tree plantation drive titled "**One Tree in the Name of Mother**" on 15th August 2024 to mark Independence Day. The environmental initiative centered around the inspiring theme, "*Live Green and Think Green*," encouraging volunteers to take a proactive stance on environmental preservation.

The primary objective of the drive was to promote afforestation, combat climate change, and cultivate a sense of environmental responsibility among students by linking the act of planting trees to honoring motherhood. NSS volunteers enthusiastically participated in planting saplings across the designated areas, demonstrating their collective dedication to environmental sustainability.

The event successfully created widespread ecological awareness on campus, inspiring the academic community to nurture nature and contribute meaningfully toward a greener, healthier future for society.
