

YRC Activities 2025–2026

Blood Donation Camp

Date: 06.05.2025

The NSS and Youth Red Cross (YRC) Units of New Prince Shri Bhavani College of Engineering and Technology (NPSBCET) organized a **Blood Donation Camp** on 06 May 2025 in collaboration with **Melvin Jones Blood Bank, Chennai**. The programme was conducted with the objective of creating awareness about the importance of voluntary blood donation and encouraging students to contribute towards saving lives.

Students enthusiastically participated in the camp and donated blood as an act of social responsibility and humanitarian service. The event highlighted the significance of blood donation in supporting patients during medical emergencies and healthcare needs. The programme successfully inspired students to become responsible citizens committed to community welfare and service.

The poster features a central illustration of a hand holding a red blood drop. To the left, the text reads "Give the Gift of Life Donate Blood!". To the right, the text reads "BLOOD DONATION CAMP" in English and "குருதீக்கொடை" in Tamil. Below this, it states "in collaboration with MELVIN JONES BLOOD BANK, KOVILAMBAKKAM, CHENNAI." and provides the date and time: "06.05.2025 @ 01.00 PM APJ Auditorium". The poster also includes logos for New Prince Shri Bhavani College of Engineering & Technology, YRC, and NSS & YRC of NPSBCET. At the bottom, it lists the organizers: Dr. SURESH.T (NSS Programme Officer, AP/MECH), Ms. G.SWARNALAKSHMI (YRC Co-ordinator, AP/MECH), and Dr.T.SARAVANAN (Principal). A footer message reads: "Join us in making a difference - one drop can save a life. Let's unite for a noble cause and help those in need. Your small act of kindness can bring a big change!"

Cardiopulmonary Resuscitation (CPR) Training Programme

Date: 26.06.2025

The NSS and Youth Red Cross (YRC) Units of New Prince Shri Bhavani College of Engineering and Technology (NPSBCET) jointly organized a Cardiopulmonary Resuscitation (CPR) Training Programme on 26 June 2025. The session was conducted by Dr. Aravind Duruvasal, Preventive and Interventional Cardiologist, who provided valuable insights into emergency response techniques and life-saving procedures.

The programme focused on creating awareness about CPR and its importance in responding to cardiac emergencies. Students actively participated in the hands-on training session and learned the correct methods of performing CPR, assessing emergency situations, and providing immediate assistance before professional medical help arrives. The programme enhanced students' confidence, emergency preparedness, and commitment to community health and safety.

Awareness Programme on Drug Abuse and Prevention

Date: 10.11.2025

The Youth Red Cross (YRC) Unit of New Prince Shri Bhavani College of Engineering and Technology (NPSBCET) organized an **Awareness Programme on Drug Abuse and Prevention** on 10 November 2025 at the Mini Auditorium. The programme was conducted to educate students about the harmful effects of drug abuse and to promote a healthy, drug-free lifestyle among youth.

The programme commenced with a welcome address, followed by an inaugural speech emphasizing the importance of awareness and preventive measures in combating drug addiction among young people. An expert session on **"Drug Abuse and Its Impact on Youth"** highlighted the causes of substance abuse, early warning signs, prevention strategies, and the role of families and communities in addressing this social issue.

Interactive discussions were conducted to encourage student participation and awareness. Posters, slogans, and videos carrying the message **"Say No to Drugs, Yes to Life"** were displayed to reinforce the importance of making healthy choices. The programme concluded with a pledge-taking ceremony, where participants committed themselves to leading a drug-free life and promoting awareness among their peers.

The poster features the logos of New Prince Shri Bhavani College of Engineering & Technology and the YRC of NPSBCET. It includes an illustration of a young man with a sad expression, holding a hand up to a red prohibition sign that contains a marijuana leaf, a pill bottle, and a syringe. Below the illustration, the text reads 'AWARENESS PROGRAM ON DRUG ABUSE AND PREVENTION'. Two circular portraits of the chief guests are shown, connected by a double-headed arrow labeled 'Chief Guests'. The names and titles of the chief guests are listed below their portraits. At the bottom, the names and titles of the YRC Co-ordinator and the Principal are listed.

Campus Beautification Day

Date: 10.11.2025

The Youth Red Cross (YRC) Unit of New Prince Shri Bhavani College of Engineering and Technology (NPSBCET) organised **Campus Beautification Day** on 10 November 2025 to promote environmental awareness and cleanliness among students. YRC volunteers actively participated in cleaning the campus premises and maintaining the greenery within the institution.

The programme encouraged students to develop social responsibility, teamwork, and environmental consciousness while contributing to a clean and pleasant campus environment. The enthusiastic participation of students made the event a meaningful initiative towards creating a greener and more sustainable campus.

World Red Cross Day Celebration

Date: 08.05.2026

The Youth Red Cross (YRC) Unit of New Prince Shri Bhavani College of Engineering and Technology (NPSBCET) celebrated **World Red Cross Day** on 08 May 2026 to commemorate the humanitarian values and services of the Red Cross Movement. The programme aimed to create awareness among students about the importance of humanitarian service, health care, voluntary service, and community welfare.

The celebration highlighted the principles of humanity, impartiality, neutrality, and voluntary service that form the foundation of the Red Cross Movement. Students actively participated in the event and gained valuable insights into the significance of social responsibility, compassion, and service to society.

The programme was organized under the guidance of **Ms. G. Swarnalakshmi, YRC Coordinator**, and inspired students to contribute towards community development and humanitarian causes through voluntary service and social outreach activities.
